Impartiality Policy

Sunkonnect believes to have highest degree of customer confidence in delivering unbiased inspection services. We fully acknowledge the importance of impartiality and complies it in carrying out the inspection activities that are governed by the requirements of the International Standard ISO/IEC 17020.

Each and every employee of Sunkonnect commit to adhere to the following:

- Sunkonnect ensures impartiality for inspection services shall be fair among all its customers.
- Sunkonnect does not restrict inspection engineers on the grounds of undue financial or other limiting conditions, such as membership of an association or group.
- Sunkonnect ensures impartiality in its inspection activities and shall not allow financial, commercial, or other pressures to compromise impartiality.
- Sunkonnect ensures through its internal procedures, the objectivity of the inspection activities and minimize potential conflict of interest based on the applicable codes and standards for the projects.
- Sunkonnect ensures that all its decisions on the objective evidence is obtained through an effective process based on objective evidence of conformity or nonconformity. Any Inspection decision taken is not influenced by other interests or by other parties. Inspection decisions are taken and approved by a competent and independent person who is free from the influence of other interests or parties, including those of its clients.
- Sunkonnect practices ensures that the highest standards of integrity and ethics are applied to all its inspection activities.
- Sunkonnect personnel are required to disclose any potential conflicts of interest through a written declaration.
- Sunkonnect shall enter into legally enforceable agreements with its clients and retain all authority and responsibility for inspection activities.
